Reading Fairy Tales to Furry Tails

Dear Preschool Teachers,

As participants in the **Ready Readers** program, you and your students are invited to visit the shelter animals at the Humane Society of Missouri through our **FREE Tale to Tail Partnership Program!**

What? Your students will read books to the dogs, cats and critters, meet and greet a few furry friends AND adopt a stuffed animal to take home.

Why? To have fun reading with animals, learn about responsible pet care and foster empathy and kindness toward animals.

When? Limited dates are available in April and May. Schedule your visit now!

How? **Schedule your visit** via the Humane Society of Missouri at www.hsmo.org/readyreaders. We will reserve a bus with safety harnesses and send you the confirmation.

This experience is made possible through grants from individual donors, Dana Brown Charitable Trust and the TRIO Foundation, therefore all program costs are covered.
